2. Bidder must not have been blacklisted/banned or deregistered by any government agencies or public sector undertaking. If so, the same shall be brought to the notice of the Employer. To be provided on Rs. 100/- Non-Judicial Stamp paper.
3. HRDA reserves the right to accept or reject or cancel any or all tender(s) at any time at its sole discretion, if necessary, without assigning any reason whatsoever. No Bidder shall have any cause of action or claim against HRDA. for rejection of his Bid.
4. The officer inviting tenders shall have the right of rejecting all or any of the tenders and will not be bound to accept the lowest or any other tender.

SECTION-I **Instructions to Bidders**

SITC OF HIGH MAST.

The work will include supply, installation, testing and commissioning of High Mast Poles. Excavation for foundation, reinforcement, including foundation bolts, erection of pole into true vertical position, commissioning of lights, earthing etc. all things included in the BOQ as per standard specifications but not only exhaustive to it. All other things as per direction of engineer-in-charge.

For Interested Bidders

HRDA invites Tenders for SITC OF HIGH MAST, **Successful bidder shall do the works.** **Foundation** Construction shall be as per applicable CPWD guidelines and specification. Bidders quoting the least cost (L1) shall be considered as successful bidder, the payment will be made as per the actual work done and item wise measurement.

Guideline & specifications of CPWD, other Indian standards and all statutory guidelines shall be followed: -

- A) Interested bidders may submit their proposals by the date as mentioned in Schedule of Selection process.
- B) Technical and Financial bids shall be submitted online separately.
- C) Proposals should be submitted in English.

1. Purpose

Bidders for the purpose of preparing offer for carrying out "SITC OF HIGH MAST". Bidders are requested to do their self-analysis prior to submission of the proposal.

- 1) The Schedule of Quantity is given in BOQ. The tenderer has to quote their offer as per the Schedule of Quantities. The tenderer shall quote rate(s) in figures as well as in

ly

words. In case of any discrepancy between the two, rate(s) quoted in words shall prevail. In case of discrepancy between quoted rate and amount, rate shall prevail. The payment will be made as per the actual work done and item wise measurement basis.

- 2) Bidders are advised to examine the available Cost Index/Market Rate while framing their estimate/rates. Rates of DSR are inclusive of GST and Rates of SOR and Market Price are exclusive of GST.
- 3) a) Submission of a tender by a tenderer implies that the tenderer has read this notice and all other Tender Documents visited the site and has made himself aware of the scope for the project, the specifications, local conditions and other factors having bearings on the execution of the work.
- b) While all efforts have been made to avoid errors in the drafting of the tender documents, the Bidder is advised to check the same carefully. No claim on account of any errors detected in the tender documents shall be entertained.
- c) HRDA desires that the bidders, suppliers, and Sub-contractors under the Project, observe the highest standard of ethics during the performance, procurement and execution of such contracts. In pursuance of this requirement, HRDA:

Defines, for the purposes of this provision, the terms set forth below:

- I) "Corrupt Practice" means the offering, giving, receiving, or soliciting, directly or indirectly, anything of value to influence improperly the actions of another party;
- II) "Fraudulent Practice" means any act of submission of forged documentation, or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation, or to succeed in a competitive bidding process;
- III) "Coercive Practice" means impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;
- IV) "Collusive Practice" means an arrangement between two or more parties designed to achieve an improper purpose, including influencing improperly the actions of another party.

Will reject the award of Contract, even at a later stage, if it determines that the bidder recommended/ selected for award/awarded has, directly or through an agent, engaged in Corrupt, Fraudulent, Collusive, Or Coercive Practices in competing for the Contract;

Will declare a party or its successors, including declaring ineligible, either indefinitely or for a stated period of time, to participate in any further bidding/procurement proceeding under the Project, if it at any time determines that the party has, directly or through an agent, engaged in Corrupt, Fraudulent,

6

Collusive, Or Coercive Practices in competing for, or in executing, the contract; and The Bidder must obtain for himself on his own responsibility and at his own expenses all the information which may be necessary for the purpose of making a bid and for entering into a contract, must examine the Drawings, must inspect the sites of the work, acquaint himself with all local conditions, means of access to the work, nature of the work and all matters pertaining thereto. HRDA will in no case be responsible or liable for those costs, regardless of the conductor outcome of the bidding process.

- d) Each page of the Tender documents should be stamped and signed by the person or persons submitting the Tender in token of his/their having acquainted himself/themselves and accepted the entire tender documents including various conditions of contract. Any Bid with any of the Documents not so signed is liable to be rejected at the discretion of HRDA.
- e) The bidder shall attach the original authorization letter/power of Attorney as the proof.
- f) The Bidders are expected to carefully examine all the contents of the tender documents including instructions, conditions, terms, specifications, drawings and get clarifications, if required, from HRDA and take them fully into account before submitting their offer. Failure to comply with the requirements as detailed in these documents shall be at the Bidder's own risk. Bidders which are not responsive to the requirements of the tender documents will be rejected.
- g) The bids not meeting the minimum eligibility criteria, Technical Bids not accompanied with EMD and Tender Document Fees of requisite amount in acceptable format, Bids in altered/modified formats, or in deviation with any other requirements stipulated in the tender documents are liable to be rejected.
- h) The bidders are expected to meet the minimum eligibility criteria as given in the tender document to participate in this tender. HRDA will reject the Bids that do not meet the minimum eligibility criteria as laid down, based on their submission along with the tender documents, even after the bid opening process is concluded.
- i) The bidders shall not tamper or modify any part of the tender documents in any manner. In case in part of the bid is found to be tampered or modified at any stage, the bids are liable to be rejected, the contract is liable to be terminated and the full earnest deposit/performance guarantee will be forfeited and the bidder will be liable to be banned from doing any business with HRDA.
- j) Incomplete Price bid shall be liable to be rejected, at the discretion of HRDA. The total bid price shall cover the entire scope of works covered in the tender.
- k) HRDA shall not be responsible for any postal delay and the bids received after stipulated date & time whatsoever be the reason, the bid is liable to be rejected by the HRDA

↓

4) Contents of Technical Bid:

The Technical Bid, clearly labelled as “TECHNICAL BID” has to be submitted with the following: not exhaustive

- i) Bidder's covering letter of offer.
- ii) Power of Attorney/Authorization Letter to sign the Tender in original
- iii) Copy of Signed & stamped NIT documents (comprising of total documents-all pages including corrigendum)

“No request for extension of the due date indicated above shall be entertained”.
Telegraphic or Fax or E-Mail offers shall not be accepted under any circumstances.

- 10) Tender submitted by tenderer shall remain valid for acceptance for a period of 120 (One Hundred Twenty) days from the date set for submission of the tender. The tenderer shall not be entitled within the said period of 120 (One Hundred Twenty) days to revoke or cancel or vary the tender given or any item thereof, without the consent of HRDA. Incase tenderer revokes, cancels, or varies his tender in any manner without the consent of HRDA, within this period, his earnest money will be forfeited.**

The Bidder has to provide 120 days Bid validity on Rs.100/- Non-Judicial Stamp Paper.

Financial Bid of those Bidders who will be technically qualified for the subject project, on the basis of evaluation of technical bids, will be opened on specified date. The date & time to open the price bid (Part-II) shall be intimated to the technical qualified bidders and in such a case, representative of the bidder shall be allowed to attend. HRDA decision in this regard shall be final & binding. The lowest Financial Bid so opened shall be awarded the work (L-1 Bidder).

Acceptance of HRDA is a prerequisite for consideration of Bidder's offer for this work. Accordingly, Bidder(s) not acceptable to HRDA. Shall not be considered and shall be rejected by HRDA and no correspondence and claim etc. from the Bidder in pursuant to the Tender shall be entertained by HRDA under any circumstances whatsoever.

2. Brief Description of Bidding Process

- a) In order to identify and select an entity for award of the Project, the HRDA intends to adopt a single stage, open, transparent, competitive bidding process (the "Bidding Process"). The single stage of the Bidding Process is the Proposal stage during which Proposal(s) are being invited from the Bidders.
- b) The evaluation of the Proposals would be carried out on least cost-based selection in two (2) mutually distinct and sequential steps.
- c) The first step would be the Qualification Step which would involve a test for responsiveness based on technical and financial qualification criteria set for there in.
- d) In the qualification step, the qualification submission comprising information of the Bidders on their Technical capacity and Financial capacity for undertaking the Project would be evaluated and, Based on this step, only those Proposals that meet the technical capacity and financial capacity as set out in this Tender Document for the Project would be qualified and their financial proposals would be opened for identification and selection of the Bidder to whom the Project, subject to the terms of tender, be

C

awarded (the " Selected Bidder").

- e) The bidder quoting the lowest (L1) bid will be called for further discussions to sign a Contract Agreement, who shall be responsible for complete SITC OF HIGH MAST of Haridwar Roorkee Development Authority near Tulsi Chowk, Mayapur, Haridwar as per the Specification and guidelines.

3. Site visit and verification of information

Bidders are encouraged to submit their respective Proposals after visiting the Project site and ascertaining for themselves the site conditions, traffic, location, surroundings, climate, access to the site, availability of data, Applicable Laws and regulations or any other matter considered relevant by them. Bidders are invited to examine the Project in greater detail, and to carryout, at their cost, such studies as may be required for submitting their respective Proposals.

4. Communications

All communications should be addressed to:

Vice Chairman/Secretary/Executive Engineer
HARIDWAR ROORKEE DEVELOPMENT AUTHORITY
(HRDA), Tulsi chowk, Mayapur,

Public Opening and Evaluation of Financial Proposals

- A) After the evaluation of Technical Proposal is completed, HRDA shall notify only those bidders whose proposals have been short-listed of the same and the date and time for opening of financial proposals.
- B) The Financial Proposals shall be opened publicly in the presence of the Bidder's representatives who choose to attend. The name of the Bidder, and the proposed amount shall be read aloud and recorded when the Financial Proposals are opened. There will be an Evaluation Committee constituted by HRDA for evaluation of technical and financial proposal.
- C) The Evaluation Committee will determine whether the Financial Proposals are complete, correct any computational errors, etc.
- D) The bidder who has bid the lowest amount (L1) will be invited for discussions/clarifications for the purpose of signing a Contract Agreement.

1. Conflict of Interest

A Bidder shall not have a conflict of interest that may affect the Selection Process (the "Conflict of Interest"). Any Bidder found to have a Conflict of Interest shall be disqualified. In the event of disqualification, HRDA shall forfeit and appropriate the Bid Security as mutually agreed genuine pre-estimated compensation and damages payable to HRDA for, inter alia, the time, cost and effort of HRDA including consideration of such Bidder's Proposal, without prejudice to any other right or remedy that may be available to HRDA here under or otherwise.

HRDA requires that the Bidder provides professional, objective, and impartial advice and at all times hold the Authority's interest's paramount, avoid conflicts with other assignments or its own interests, and act without any consideration for future work. The Bidder/Contractor shall not accept or engage in any assignment that would be in conflict with its prior or current obligations to other clients, or that may place it in a position of not

ly

being able to carry out the assignment in the best interests of the Authority.

2. Number of Proposals

No Bidder shall submit more than one Proposal for the Project. A Bidder applying individually or as an Associate shall not be entitled to submit another proposal either individually or as a member of any consortium, as the case may be.

3. Cost of Proposal

The Bidders shall be responsible for all of the costs associated with the preparation of their Proposals and their participation in the Selection Process including visits to the Authority, Project site etc. HRDA will not be responsible or in any way liable for such costs, regardless of the conduct or outcome of the Selection Process.

4. Acknowledgement by Bidder

It shall be deemed that by submitting the Proposal, the Bidder has:

- a) made a complete and careful examination of the Tender;
- b) received all relevant information requested from the Authority;
- c) acknowledged and accepted the risk of inadequacy, error or mistake in the information provided in the tender or furnished by or on behalf of the Authority or relating to any of the matters referred in this tender;
- d) Satisfied itself about all matters, things and information, including matters referred herein above, necessary and required for submitting an informed Proposal and performance of all of its obligations thereunder;
- e) acknowledged that it does not have a Conflict of Interest; and
- f) The Authority shall not be liable for any omission, mistake or error on the part of the Bidder in respect of any of the above or on account of any matter or thing arising out of or concerning or relating to tender or the Selection Process, including any error or mistake therein or in any information or data given by the Authority.

5. Clarifications

To facilitate evaluation of Proposals, the Authority may, at its sole discretion, seek clarifications from any Bidder regarding its Proposal. Such clarification(s) shall be provided within the time specified by the Authority for this purpose. Any request for clarification(s) and all clarification(s) in response thereto shall be in writing.

If a Bidder does not provide clarifications sought under above within the specified time, its Proposal shall be liable to be rejected. In case the Proposal is not rejected, the Authority may proceed to evaluate the Proposal by construing the particulars requiring clarification to the best of its understanding, and the Bidder shall be barred from subsequently questioning such interpretation of the Authority.

6

6. Amendment in tender

At any time before the submission of Proposals, HRDA may amend the tender by issuing an addendum in writing or by standard electronic means. The addendum shall be uploaded on the website, www.uktenders.gov.in and www.HRDAonline.com, and will be binding on all of them. Bidder shall update themselves by visiting the website regularly, for not being updated by the bidders themselves, HRDA bears no responsibility. Bidders shall acknowledge receipt of all amendments. To give Bidders reasonable time in which to take an amendment into account in their Proposals HRDA may, if the amendment is substantial, extend the deadline for the submission of Proposals.

7. Late Proposals

Proposals received after the specified time on Proposal Due Date shall not be eligible for consideration and shall be summarily rejected.

8. Confidentiality

Information relating to the examination, clarification, evaluation, and recommendation for the selection of Bidders shall not be disclosed to any person who is not officially concerned with the process or is not a retained professional adviser advising the Authority in relation to matters arising out of or concerning the Selection Process. The Authority will treat all information, submitted as part of the Proposal, in confidence and will require all those who have access to such material to treat the same in confidence. The Authority may not divulge any such information unless it is directed to do so by any statutory entity that has the power under law to require its disclosure or is to enforce or assert any right or privilege of the statutory entity and/or the Authority.

9. Execution of Agreement

After acknowledgement of the LOA as afore said by the Selected Bidder, it shall execute the Agreement with HRDA.

10. Miscellaneous

The Selection Process shall be governed by, and construed in accordance with, the laws of India and the Courts at Haridwar shall have exclusive jurisdiction over all disputes arising under, pursuant to and/ or in connection with the Selection Process.

The Authority, in its sole discretion and without incurring any obligation or liability, reserves the right, at any time, to;

suspend and/ or cancel the Selection Process and/ or amend and/ or supplement the Selection Process or modify the dates or other terms and conditions relating thereto;

consult with any Bidder in order to receive clarification or further information;

retain any information and/ or evidence submitted to the Authority by, on behalf of, and/ or in relation to any Bidder; and/ or

Independently verify, disqualify, reject and/ or accept any and all submissions or other information and/ or evidence submitted by or on behalf of any Bidder.

It shall be deemed that by submitting the Proposal, the Bidder agrees and releases the Authority, its employees, agents and advisers, irrevocably, unconditionally, fully and

Handwritten mark

finally from any and all liability for claims, losses, damages, costs, expenses or liabilities in any way related to or arising from the exercise of any rights and/or performance of any obligations hereunder, pursuant hereto and/or in connection herewith and waives any and all rights and/or claims it may have in this respect, whether actual or contingent, whether present or future.

The Authority reserves the right to make inquiries with any of the clients listed by the Bidders in their previous experience record.

SECTION-II Scope of Work

CONDITIONS OF PARTICULAR APPLICATION

- 1) The instructions to the Bidders for submission of Tender are enclosed as above.
This Tender is being invited by Haridwar Roorkee Development Authority for executing a part of the work for the subject job as per Schedule of Quantities (SOQ) for project **SITC of HIGH MAST.**

SCOPE OF WORK

Scope of work shall include "**SITC of HIGH MAST**" as per the Drawings, Specification and details set forth under this Tender document. And to obtain all approvals from statutory authorities from start to complete the work of "**SITC of HIGH MAST.**"

The bidder shall be responsible right through the entire duration of the Project for execution of all works till commissioning and handing over of project complete with all respects ready to move and shall remove all defects, if any, developed during Defects Liability Period (DLP). In case of Electrical related products DLP shall be 36 Months.

The data given by the HRDA is only for information and guidance of the bidder who shall verify these data and shall be responsible for the overall execution of the project. HRDA shall not be responsible for the technicality/accuracy of the attachments. HRDA reserves the right to modify the scope of work as per the requirement of user department at any stage if necessary, without assigning any reason whatsoever. The Bidder shall visit the site also to examine whatever information he may require.

The responsibility of the Bidder shall include carrying out all the activities for the completion of the Project, which generally shall include the following, and any additional activities incidental to these: -

HRDA may in their absolute discretion issue further drawings and/or written instructions, details, directions and explanations, which are, hereafter collectively referred to as "HRDA's instructions" in regard to:

- i) The variation or modification of the quality or quantity of works or the addition or omission or substitution of any work.

- ii) Any discrepancy in the drawings or between the Schedule of Quantities and/or drawings and/or specification.
- iii) The removal from the site of any defective material brought there on by the Contractor and the substitution of any other material thereof.
- iv) The demolition removal and/or re-execution of any work executed by the Subcontractor/s.
- v) The dismissal from the work of any persons employed thereupon.
- vi) The opening for inspection of any work covered up.
- vii) The rectification and making good of any defects under clauses herein after mentioned and those arising during the maintenance period (retention period) /defect liability period.
- viii) Royalty at the prevalent rates and all other incidental expenditure, if any shall have to be paid by the Contractor on all the materials like boulders, stone metals, earth, sand, bajri etc. collected by him for the execution of the work directly to the concerned revenue Authority of the Sate or Central Government. His rates are deemed to include all such expenditure and nothing extra shall be paid.

PERFORMANCE SECURITY

- a) The Successful Bidder shall within fifteen (05) days of the acceptance of the LOA, execute a Performance Bank Guarantee as per contract, from a scheduled Commercial Bank, for an amount equivalent to the 5% of the accepted Contract Value, which shall be kept valid for the entire period of work and shall be refunded to the contractor soon after the completion of work and issuance of the completion certificate. The EMD of the successful Bidder shall be retained by HRDA until the Performance Bank Guarantee (PBG) is submitted.
The Performance Bank Guarantee of the successful Bidder will be invoked and forfeited if he fails to comply with any of the conditions of contract.
- b) The Contractor shall from time to time at the request of the HRDA suitably extend the validity of Performance Bank Guarantee as may from time to time be required by HRDA.
- c) Additional performance guarantee shall be submitted in case of Below quoted rates as per G.o 770/iii(2)17-20 (samanya)/2011TC01 dated 12/06/2017 of Uttarakhand Government.

SECTION-III

Technical Specifications

1. The Work will be executed strictly in accordance with the CPWD specification corrected up to date at the time of tenders, unless specified to contrary.
2. Measurement of work will be done as per CPWD specification.
3. The Contractor shall not be entitled to any payments on account of work done till he signs the agreement and the same is accepted by the competent authority.

4. Actual quantities of completed and accepted work shall only be paid.
5. No claim shall be entertained on account of increase in price of material and wages of labour due to any cause whatsoever.
6. The Engineer-In-Charge reserves the right to take away any item of work or any part thereof at any time during the currency of work and re-allot to any other agency with due notice to the contractor without liability of any kind or payment of any compensation.
7. The contractor will be responsible for any and all losses of material damages done to unfinished works as result of floods and any other act of God. HRDA will not be responsible for any compensation as a result of such damages or loss to the contractor and the contractor shall be liable to set right such damages at his own cost the satisfaction of the Engineer-In-Charge.
8. Nothing extra will be paid to the contractor for any lead or lift unless otherwise specified for any material required directly or indirectly.
9. Nothing extra will be paid to the contractor for diverting water in the channels or streams if it becomes necessary for the execution and completion of the work.
10. Amount of the work can be increased or decreased due to any item omitted and substituted in accordance with the requirement of the project.
11. The Contractor shall be responsible for providing to the entire satisfaction of the Project Manager at his own expenses for the following amenities for all the labour employed by him: -
 - i) Suitable temporary hutting accommodation.
 - ii) Trench latrines, bathing enclosures, platforms separately for men and women and their regular cleanliness.
 - iii) Clean drinking water.

In event of his failure, the cost thereof shall be recovered from the contractor. Any dispute regarding above points shall be settled by the Engineer-In-Charge and his decision shall be final. Shall also follow all the Labour Laws.

12. For safe custody of materials and watch and ward thereof and proper double lock arrangement, the contractor shall be bound to follow the instruction of the Engineer-In-Charge.
13. The size of reinforced cement concrete and other structural member shall be measured and paid as per size provided in the structural drawings.
14. Error or omission, if any in the nomenclature rate or unit of the items or work shall be corrected as per PWD/CPWD schedule of Rates.

G

Materials and testing of materials for quality:

1. The materials shall be subject to inspection and approval of the Engineer-In-Charge/Independent Engineer/Third Party. The contractor shall be required to get necessary tests carried out of materials / work from an approved laboratory.

This server time is the time by which the submission activity will be allowed on the Proposal Due Date indicated in the RFP schedule. Once the submission date and time

↓

- has passed, the Bidders cannot submit their Proposals. For delay in submission of Proposal due to any reasons, the Bidders shall only be held responsible.
- ii. The tenderers are required to quote strictly as per terms and conditions, specifications, standards given in the tender documents and not to stipulate any deviations.
 - iii. Refer to the 'Technical Specification Forms' attached (Appendix A&B). The bidder also has to submit all the necessary Technical Catalogues, Third Party Test Reports, BIS Certificates, etc. as mandated in these forms. The LM79 Test Report must be issued from a recognized Reputed Third party / International laboratory/In house only. In-house LM79 test reports of manufacturers shall not be considered.
 - iv. In case of non-submission of these documents & non-compliance of technical specifications, the bidder will not be qualified for the financial bid.
 - v. The bidders are advised to submit complete details with their bids as Technical Bid Evaluation will be done on the basis of documents uploaded on website by the bidders with the bids. The information should be submitted in the prescribed preform. Bids with Incomplete /Ambiguous information will be rejected.
 - vi. For participating through the e-tendering system, it is necessary for the Bidders to be the registered users of the e-procurement website <http://www.uktenders.gov.in>. The Bidders must obtain a user login ID and password by registering themselves with Uttarakhand, Haridwar if they have not done so previously.
 - vii. In addition to the normal registration, the Bidder has to register with his/her Digital Signature Certificate (DSC) in the e-tendering system and subsequently he/she will be allowed to carry out his/her e-bid/Proposal submission activities. Registering the DSC is a one-time activity. Before proceeding to register his/her DSC, the Bidder should first log on to the e-tendering system using the user login option on the home page with the login ID and password with which he/she has registered.
 - viii. For successful registration of DSC on e-procurement website <http://www.uktenders.gov.in> the Bidder must ensure that he/she should possess class-2/class-3 DSC issued by any Certifying Authorities approved by Controller of Certifying Authorities, Government of India, as the e-procurement website <http://www.uktenders.gov.in> is presently accepting DSC issued by these authorities only. The Bidder can obtain user login ID and perform DSC registration exercise above even before e-bid/Proposal submission date starts. The Client or his Authorised Representatives shall not be held responsible if the Bidder fails to submit his/her e-bid/Proposal before the Proposal Due Date due to DSC registration problem.
 - ix. Documents to be submitted:
The following documents have to be submitted at Office of the Executive Engineer, HRDA, Haridwar in a sealed envelope on or before the due date of closure of submission.

1. Demand Draft of any Nationalized Bank towards cost of Tender Fee
2. Unconditional Letter of Acceptance of Tender Conditions (**Appendix**) (On Letter Head of the Applicant/ Bidder).
3. Form of Sample (of luminaire) Submission if required by the department (in original) (**Appendix** (On Letter Head of the Applicant/ Bidder).
4. If bidder is:
 - a. A company: Certificate of incorporation and Memorandum of Association
 - b. A sole proprietorship firm or LLP: Registration certificate, IT returns for last 3 years preceding the NIT due date (As per Section 9 of NIT)
5. Work Completion certificate(s)/ Work orders as per Section 3 of NIT
6. CA Certified & Audited Balance Sheets for 2020-21, 2021-22 and 2022-23 as per Section 3 of NIT

6

7. Self-certified letter on a non-judicial stamp paper of Rs. 100/- as per format given in Appendix D for Lead bidder and Consortium Partner (if any)
8. Poles and Lights specification shall be duly supported by all the Third-Party Test reports, BIS certificates, Technical Catalogues as required in each of them.
9. Bidder must sign on all pages of the NIT, Corrigendum (if any)
10. A Sample is required adhering to and complying with the specification mentioned in this Appendix A&B&C of NIT. (Sample)
11. The bidder must submit an undertaking from the manufacturer(s) of Poles and lights that:
 - a. Manufacturer will supply these items within the supply period of 20 & 35 days in a lot of three as stipulated in the section no 3 of NIT.
 - b. Warranty against manufacturing defects for the specific item(s) during the 5 years Operation & Comprehensive Maintenance period.(In case the bidder is procuring material from more than one manufacturer, then undertaking from multiple manufacturers needs to be submitted for the specific items being provided by them).

Quality Assurance Plan

1. Incoming Raw material inspection by calibrated Measuring Instruments and verified through supplier's test report for poles.
2. Incoming Raw material inspection verified through supplier's test report for paints, primers, LED Drivers.
3. Poles and Luminaires are fabricated by skilled operators under technical supervision of qualified supervisors.
4. Polyurethane paint top coat is done on poles and luminaires by skilled operators under technical supervision of qualified supervisors as per standard procedure.
5. Adhesion of coating on poles and Luminaires is checked by quality supervisor.
6. Electrical accessories are fitted in pole as per Bill of Material and poles are packed in triple layer, first layer of polythene tube, second layer of corrugated sheet and third layer of woven poly sheet.
7. Luminaires are assembled and all accessories are fitted as per Bill of material.
8. Luminaires are tested for Total lumens in integrating sphere.
9. Power factor and wattage of luminaire is tested on power analyzer.
10. Luminaires are packed in polybags and corrugated boxes.
